Rotary Circle Cutter

Cut circular button graphics with speed and accuracy. Our durable circle cutter includes two interchangeable plastic centering templates and a cutting plate to protect surfaces as the rotary circle cutter cuts your graphics.

Pre-set stops for five popular button sizes: 1", 1-1/2", 2-1/4", 3", 3-1/2"

Graphic Punch

Benefits of the graphic punch:

- Clear visual centering
- Compact and lightweight
- Solid- steel construction
- Requires very little physical force to operate
- No blades to worry about

For fast, accurate, and efficient circle cutting, the graphic punch is the way to go!
